A.G.M.

La Murette and Overton Twinning Association are holding their AGM on Thursday 14th April 2016 at 7.30pm in the Overton Parish Rooms. Everyone welcome. Refreshments will be served.

Overton Village Defibrillator Unit

On Monday 18th April at 7.00pm there will be a gathering of representatives from local organisations at Overton Village Hall to introduce the new AED (Automated External Defibrillator) to be sited outside the Village Hall. An AED is a medical device that analyses the heart's rhythm and if necessary delivers an electrical shock, known as defibrillation, which helps the heart re-establish an effective rhythm.

This has been funded by a grant from the Community Council and fund raising by the Village Hall Management Committee to provide life saving resuscitation equipment for use by anyone in need at any time, day or night. As part of the introduction there will be a presentation by Anthony Hamilton-Shaw from the charity "Cariad" on the importance of such units in rural communities being available 24/7. There will also be practical tuition on the use of this valuable asset. We will also be planning training days for all who are interested. This will be a 'no cost' social gathering, which will bring together all interested groups who may, one day, benefit from an AED in the village. Light refreshments will be provided. If your society/organisation would like to be represented on the night please contact :-

James Glover on 01978710413 or email info@overtonvillagehall.co.uk

Murder and Mystery

Calling all amateur sleuths, the next production by Overton Amateur Dramatic Society will be a murder mystery evening entitled 'Who killed the Ship's Captain' held in the Catholic Church Hall on Wrexham Road at 7.30pm on Sat. April 23rd.

"It is July 15th 1912, exactly 3 months since the Titanic sank. The Blue Triangle Shipping Company's flagship the 'Celebration' is about to dock in Southampton and the sailors are gathering in the Passenger lounge .."

This is a dramatisation set in 3 parts with opportunities for the 'passengers' to help to solve the crime, please feel free to enhance the setting by 'sailing' in period or nautical dress.

Wine and soft drinks will be available for purchase, light refreshments will be included with the admission, please purchase tickets beforehand, priced at £8.00 from The Corner Shop.

Spring Cleaning

Overton Community Gardeners organised a Community Day on Sat. 19th March and the Village Litter Pickers were invited to join them. The streets were cleared of litter, the Wicking Boxes outside the Scout Hut were weeded and painted and the kitchen garden at St. Mary's School was tidied up ready for spring planting. Some of the members of Overton's Twinning Association took part in the activities and the day was pronounced a great success and a tribute to Overton's Community Spirit.

Ramblings from the Reverend

by Rev'd Canon David Child

During the past month there have been some amazing sunsets over Overton. Towards evening I've often looked westwards to the hills over Ruabon only to be amazed at the different patterns and the different hues of red, and pink and have thought to myself – 'Wow!'

They reminded me of this story. Father Arrupe who was then the head of the Jesuit Order was visiting some Jesuits working in a desperately poor slum in Latin America. One evening he was celebrating Mass for the local people in a decrepit building with cats and dogs wandering in and out freely. When it was over a big man with a hang-dog expression which made him feel uneasy came up to him and asked him to 'Come to my place, I have something to give you.' He was a bit wary, but the local priest told him, 'Don't worry, he's a decent sort of bloke, go with him.' So he went. His house was a rickety shed on the point of collapsing. He invited the father to sit down on a rickety chair. From there he could see the sunset.

The big man said to him, 'Look how beautiful it is!' They sat for several minutes as the sun slowly disappeared from view. Then the man said, 'I don't know how to thank you for all you have done for us. I have nothing to give you, but I thought you would like to see this sunset. You liked it, didn't you?' Then he said 'Good evening' and shook his hand.

Belief in God will never die as long as there are people who have the time to sit and watch the sun go down and wonder. I do and I was taught to think scientifically long before I learnt to think theologically. With every Blessing,
David

Overton Village Fete

We are delighted to confirm the date of this year's Summer Fete will be **Saturday 25th June 2016** - 2-5pm at the Playingfield. The fete aims to bring the community together and provide a fun day out for everyone! If you are interested in running a stall please contact Katrina Chalk on 01978 710055 or occ.clerk@btinternet.com or pop into the office on either a Monday or Wednesday.

Rainbow Centre's Days Out

This month is a trip to the British Ironworks & Sculpture Centre. There are some amazing statues made out of iron for you to have a look at and a large variety of objects that you can buy. There is a forger there to give demonstrations and answer questions plus a lovely café or outside tables if you would like to take a picnic.

Thursday 14th April – Pick up at 9.30am so if you can make your way to the centre that will be a great help. Don't worry we can also pick you up direct from your door. COST will be £10 fuel. Ring Jane on 01948 830730 to book a place as soon as possible.

Country Beat

by PCSO Lynne Maurice

It is with deep regret and much sadness that I start my article this month. A very dear colleague and friend PCSO 2858 Phil Jones who worked with myself and others at Overton Station, has recently passed away after a brave fight with cancer. Phil was a hardworking, committed part of our team and always had a smile for everyone. Phil will be missed by all who knew him. RIP.

Criminals can steal your credit card data by standing close to you or your handbag, in a queue or on public transport, and using an electronic scanner. The new threat exists because of the radio-frequency identification chips (RFID) or Near Field Communication (NFC) chips that are starting to be embedded in credit and debit cards. A modern thief can use this "swipe to pay" technology to capture your info by scanning your wallet or purse with an electronic scanner. It's easy, however, to protect yourself.

Flintshire & Wrexham Online Watch Link Association (OWL) have 'Card Minder Aluminium Pouches' on sale for £1 which help prevent contactless bank card/credit fraud known as 'skimming' or electronic pickpocketing. email: watch@owlcymru.org or tel: 01352 708118

Many thanks

Coach Trip

to 'WONDERWOOL WALES', a festival of Welsh wool and natural fibres at the Royal Welsh Showground, Builth Wells on Sunday April 24th. The cost is £27 which includes entrance fee and travel. Contact Links Coach Co. 01978 806454 to book a seat and for further details.

Overton Amblers

Overton Amblers have met each other and are looking forward to walking the many beautiful rights of way and learning about the naturally beautiful landscape and some of the history of Overton. Any problems that they encounter on the footpaths will be reported to WCBC thus ensuring that the paths are kept in good condition for the years to come. New members of the group can be assured of a warm welcome.

Chester Beer Festival

The White Horse is organising a trip to the Chester Beer Festival on 13th May. Cost will be £20 for transport and entry (£10) details in the White Horse.

Cubs visit Cosford

On 27th February Overton Cub Pack joined a large number of Cub Packs from Wrexham, for a fun and informative day out at RAF Cosford.

It was a great day out looking at all types of aircraft, learning about the Cold War and the history of the RAF. At the same time the Cubs were challenged to complete a quiz of what they learned on the day, which combined with the recent water rocket building night and paper airplane night, means the pack are well on their way to their flight badge.

There is a great interactive area that allowed the Cubs to experiment and understand better how airplanes worked. The favourite was a bomber on a track that had to pick up and then release a "bomb" onto a target, most of the Cubs enjoyed this.

Lunch was a picnic in the "Mess Hall" and the end of the trip was completed with a group photo and a large rendition of the Hokey Cokey.

Messy Church

The March Messy Church was all about Easter and spring. The beautiful weather enticed a large number of people to attend and we decorated hard boiled eggs and coloured cardboard egg pictures, folded paper to make origami bunnies and weaved strips of card together to create placemats.

Cakes were mixed and decorated and cake toppers were created from icing. Cut flowers were placed into pots of compost to make gardens which were then adorned with a lolly stick cross. The children formed three teams to make a safe package for an (uncooked) egg so that it could be thrown on to the floor without breaking and hunted for chocolate Easter eggs in the sunshine.

Canon David led a discussion about the arrival of Jesus in Jerusalem and gave everyone a cross made of palm leaves as a symbol of Easter. Canon Lisa led a prayer in which everyone contributed ideas of why we are thankful for Jesus. Everyone shared a lovely meal of pasta and salad with cheesecake as pudding. We look forward to seeing you all again next month on April 13th at 3pm.

School News

St Mary's Primary School has been fund raising for Sport Relief. We have been getting sporty and have raised nearly £200 to support this worthy cause! The pupils dressed up in all manner of sporting outfits. We had Footballers, Rugby players, Martial artists, Dancers, Runners and even a Sailor!

Every year group took part in a Sport Relief Mile around the school field. We had lightning fast runners to gentle strollers. Some ran, skipped, dribbled footballs while others patiently crawled! Well done and thank you to all the staff, pupils and parents for their generous donations.

This term our School Council were privileged to be invited to formally meet the Lady Mayor (Councillor Barbara Roxburgh) in her parlour at the Guildhall in Wrexham. The children had a fantastic tour by the Mayor and learnt about the work and running of the council. As part of our visit, the children visited the chambers to see where formal meetings are run. The children were fascinated to find out that when somebody is due to speak a red light shines to show they are using the microphone and are entitled to speak!

Dear Editor,

There are some dirty, filthy dog owners who are using Dark Lane and every front door on the High St as a toilet facility for their pet. This is not acceptable in a civilised world, where one person dumps filth on another's doorstep. I am installing CCTV to protect my property from these two legged animals, and will send evidence to the police. Be warned. *James Glover*

Ed: There are also complaints from Parkside, Turning Street and the Millennium meadow. It is very sad to see that someone has been hanging full poo bags on the fence at the back of St. Mary's School. This is an absolute disgrace.

PCSO Philip Wynn Jones

On Wednesday March 16 2016 we said goodbye to Phil who died on February 28th aged 52 years. The congregation heard tributes from family, friends and colleagues reflecting on his life and sense of humour.

Phil had played The Last Post on many an occasion and this tribute in turn was paid to him.

As a PCSO Phil undertook to fulfil his lawful Police duty but his role as a Community Support Officer was always as important to him too. In October 2013, Phil organised the Overton Rural Roadshow which gave the older community the opportunity to meet with the Police and partner agencies. He will be fondly remembered and sadly missed.

Overton to become National Vending Machine Pilot site

Overton Oracle Team members have learned of exciting news which will lead to the village receiving interest from the National press and even further afield. The success of the cheese vending machine has sparked an interest with companies looking to scale up and capitalise on the opportunities and low running costs which are synonymous with the outdoor automated 24 retailing experience. Once again the village is pioneering.

Locals have been enjoying the benefits of purchasing cheese and related dairy products throughout the day and night and the feedback has been very positive so far. An intrepid Oracle reporter managed to interview one particular local, Wendy Dale as she made her purchases. Asked for a view she replied "I'm a busy mum and work hard to fit in all of my many commitments. It may be 3.30a.m. in the morning and minus 2 degrees tonight but at least I'm sorted for cheese on toast for breakfast, to be fair".

The large scale introduction of vending machines has been submitted for planning permission which will include; 24 hour newspaper vending on the High St: 24

Dr Hal Umi stocks up

hour Coffee on the corner of School Lane: 24 hour packed Meat products on the corner of Bangor Road: 24 hour Energy Drinks also on School Lane and 24 alcohol and crisps vending in the park.

The Federation Of Outdoor Locations are backing the development and are looking to highlight Overton as a National and International Beacon Site for the outdoor automated 24 hour retailing experience. It is envisaged that the model will be further extended to cover Bangor On Dee, Penley and Erbistock, bringing potentially thousands of visitors as the pilot grows. The Federation or F.O.O.L's as it is commonly known is sure the development will be wholeheartedly welcomed by the locals. Any objections should be made by APRIL 1st to: SeanClarke@yetaanotherdaftaprillfoolsarticle.com

Fundraising

The village hall was rocking on Friday 19th Feb. when a sell out concert by "the Blues Band" hit the village. Those of a certain age will remember names such as Paul Jones of Manfred Man, Tom McGuinness of McGuinness Flint plus a brilliant support act who entertained for a full 2 1/2 hours. these seasoned entertainers were very impressed with the facilities that such a small village can offer.

This was also a fund raiser for the "village defibrillator unit". The community council have already promised £600 so this went a long way to matching this figure, which puts us in a very strong position to go ahead with the project.

Thanks go to all those who helped to make this a roaring success.

Desperately Seeking?

The Village Hall management committee is **urgently** in need of a treasurer for the village hall. The job is voluntary and requires being involved in the day to day running of the Hall, working together with the Secretary and Chair, looking after what is an integral part of the village. A working knowledge of accounts and computers is desired and enthusiasm to be part of our team essential. If you feel that this is you, give us a call on 01978 710413 and lets chat.

Blues Roots and Real Ale back in Overton

After the success of last year's festival, where organisations within the village benefited by over £1500 raised. The Village Hall in collaboration with "The Up Country Blues Club" are staging their 2nd Blues, Roots and Real Ale festival on the weekend **6th and 7th May**. A brilliant line up of top UK and USA names in Blues will be appearing together with a selection of the best local real ales.

If you like live music and good beer, don't miss this opportunity to see some of the best blues bands in the country. There will be 3 acts on Friday 6th - £10. Doors open at 7.00pm

8 acts on Saturday 7th - £25. Doors open at 1.00pm

Or book the weekend and save £5 on the 2 tickets. Tickets from "the Corner Shop" or send a SAE to Blues Festival, 16 High St, Overton, Wrexham, LL13 0DT with a cheque and they will be posted to you. See you there!

Overton Twinning Association Wine Tasting Event

On Saturday 27th February, Overton's twinning association held its annual wine tasting event in the Scout Hut. It's amazing what a difference some fairy lights and a spot of creative decorating can do for an interior as the atmosphere was very welcoming. Demand was high, with tickets selling out and there was a nice mix of seasoned Twinners and greenhorns. The food was delicious with a liver pate being singled out for praise in particular. As for

wine, despite having attended a number of wine tasting courses over the years, this unnamed Oracle attendee still managed to incorrectly identify every single one. Many thanks to all those who made this a great evening, raising funds to help pay for the visit of our French partners, and a satisfying profit of £750 was made.

This July, 14 people, aged from 10 to 70+ are travelling to La Murette to spend a week with our French friends. Everyone is very excited and can't wait for the holiday to begin. If you'd like more information about this sociable and vibrant association, have a look at Overton's website. Follow the link to Twinning FAQs and contact details.

Playgroup News

Wow what a busy March we had at the Playcentre! It has certainly boosted my social life this past month! It started with a pub quiz at the White Horse, where Kevin and Olwen very kindly donated all the pub quiz money to us! A huge thank you for that, it was a fun night and very well supported too.

We then had a Body Shop social evening, which was a great pampering session and we wish to thank the Recreational Club for hosting us. A second thank you to the Recreational Club as we had our Easter Bingo here too, this was a thoroughly enjoyable evening thanks to our fantastic bingo caller Nicola Pimparel and for all those who kindly donated prizes, especially the Evans Butchers for their meat voucher, and of course thank you to all who turned up to play! We managed to raise £210 which is fantastic.

We have also had our children's Easter party which was another success with children enjoying the craft activities, Easter bonnet competition (see photo of the winner, Poppy Valentine on the right with her friend Lilly) and of course a fab Easter Egg hunt in the sunshine. Many thanks to all who attended this event and a special thank you to Sarah Carpenter and Margaret Davies for all their hard work on organising it.

Up and coming is our Nearly New Sale, April 24th 1-3pm at the Village Hall. So as Spring has arrived please as you are sorting things out, don't throw, but consider selling at our event as we have anything baby related, through to young children plus maternity things. We do the hard work and you take home 70%. For more information overtonNNS@hotmail.com. And for those expecting or have little ones, it's a wonderful event to pop along to purchase fantastic things at a great price.

As always thank you for your support, it really is appreciated and if anyone would like any information on how to get involved please contact us on our Facebook page. *Sarah Evans*

Is your dog microchipped?

It is a legal requirement that all dogs in Wales over 8 weeks old have to be microchipped by **April 6th 2016**, with their owners' details registered on an approved database.

Compulsory microchipping will:

- Improve animal welfare by making it easier to return a stray dog to its owners
- Develop responsible dog ownership by ensuring greater traceability of owners
- Help to establish liability and prove ownership
- Assist in control measures in case of diseases that can be passed from dogs to humans
- Deter dog theft

Non-working dogs will still be required by law to wear a collar and tag with the owner's name and contact details on it when it is in a public place, after the law comes into force.

Overton Lunch Club

is on Wednesday April 13th at 12.30pm at the White Horse. The menu will be lasagne & Mediterranean roast veg dessert is apple pie & custard, all for £6.25. To book please ring Gwynneth Austin on 710672.

Thanks to Dr Sakib Shamas-Ud-Din for modelling for the photo in the April article on Page 4.

Charity Plant Fair

Welshampton Charity Plant Fair at Welshampton Village Hall is on Bank Holiday Monday 2nd May, 12pm to 3pm. The "Special Plants" Auction is at 1.15pm (Guide Dogs only please).

There will be a Grand Plant Sale plus the usual stalls home made cakes, the gardeners' stall & refreshments.

After last year's celebrations to mark the 10th anniversary, the fair is refocussing on everyone's favourites – the plants! The fair will offer an even greater selection of fabulous plants to tempt gardeners, including, yet again, some very special items in this year's Auction. For example, the now extremely rare Iris 'Ellesmere' (siberian) has been donated by the National Collection holder.

The fair raises money to be divided between Macmillan Cancer Support & St Michael & All Angels Church, Welshampton. See more information on www.welshamptonplantfair.co.uk

Overton Music Group

The Overton Music Group will be meeting at 2pm in The White Horse on Sunday 17th April. We are a small group of musicians playing a variety of instruments and ranging in ability from beginners to proficient.

New members will be given a warm welcome. For further information contact Pene Coles 01978 710598 or penecoles49@gmail.com
