## Community Hub with Cake

Overton Community Council has been really thrilled with the response to their Afternoon Teas on Mondays from 2pm-4pm in the Parish Room. Thank you to all who have come over the past few weeks to share stories over tea, coffee and cake. It has been brilliant to see you.

We are going to continue with this through March, into April and beyond, but we would like to increase the scope a bit, and turn this into more of a Community Hub. It will still be Afternoon Tea and there will always be cake, chat and companionship on offer, of that you can be sure.

We'd also like to make it an opportunity for you to ask your Community Council for help with things, for example, things you'd like to start in the village, or to ask our help with something which is worrying you. Or, we could have invited guests - from the Rainbow Foundation, or perhaps the police, our Member of Parliament or Wales Assembly Member ...

there are lots of opportunities for this Community Hub to be a really useful part of community life.

## An Evening of Comedy

As part of its current "post-pandemic, pre-apocalypse" tour, the quick-fire satirical sketch show *'From Here to Absurdity'* is heading to Overton to perform at the Village Hall on Friday 24th March.

Written and performed by Richard Kelly (freelance contributor to *Private Eye*) and Ashley Hern (formerly of the Oxford University revue), *From Here to Absurdity* comprises 90 minutes of original comedy sketches, performed in a style that recalls the hey-day of Peter Cook, Paul Whitehouse and Stephen Fry. It has already performed at many venues across the country and has headlined at the Edinburgh Fringe and Chicago Sketch Festivals. But it is no stranger to these parts either and has been well received at the Llandudno Pavilion and Theatr Clwyd, as well Rossett and Doddleston village halls. It is a show that is not especially suitable for those under the age of 18, yet eminently suitable for those over the age of 40.

So if you fancy live comedy that's a bit different to stand-up, Overton Village Hall is the place to be on 24th March. Doors open at 7pm, the show starts at 8pm, and tickets, costing £15 inclusive of a light supper, can be bought at the Corner Shop from March 1st. Further details of the show can be found on [www.2absurdity.co.uk](http://www.2absurdity.co.uk)

## Musings from the Manse

by Rev'd. Richard Parkes

Dear friends,

Is there a difference between generosity and waste?  
Between extravagance and excess?

I was thinking about this in the aftermath of Christmas. On the one hand you have Christmas parties, too much food (if we can afford to cook it) and children especially are showered with presents. Then suddenly we're into Dry January, Veganuary and the most depressing day of the year (that's Blue Monday, usually the third Monday of January – but we've already passed it so the only way is up, baby!). And we tighten our belts to pay for Christmas.

Christmas is a time for excess. As the poet W H Auden put it -

*"There are enough*

*Left-overs to do, warmed-up, for the rest of the week --  
Not that we have much appetite, having drunk such a lot,  
Stayed up so late, attempted -- quite unsuccessfully --  
To love all of our relatives, and in general  
Grossly overestimated our powers."*

We need feasts and extravagant gestures. In the Bible there is the story of a woman who brought some expensive oil and slathered it over Jesus' feet, and wiped them with her hair. When I say the oil was expensive, it was almost a years wages for a labourer. Generous or wasteful? Extravagant or excessive? The disciples complain about how much good could be done with such a vast amount of money used so wastefully. But Jesus accepts the generosity of the gift, sees the spirit behind it.

We need a rhythm to the year, times of self-restraint, and times of celebration – plus the boring bits in between. And because we're not good at fasting, I think we don't appreciate feasting. Besides, our times of self-restraint would seem like unimaginable luxury to previous generations. In Lent, we give up chocolate, or alcohol if we're really serious!

But our whole lifestyle is far too extravagant for the planet to sustain. Our biggest wastefulness is that we don't live sustainably. So, this Lent, take time to look at your lifestyle. How sustainable is it? How can we have sustainable high days?

Peace to you all,

(Rev) Richard Parkes

## Maelor Music Society Season's Grand Finale

On Friday March 31st at 7.30pm at St. Chad's church, Hanmer, the Maelor Music Society will welcome "John's Boys", winners of 'Choir of the World' at the Llangollen International Eisteddfod. We are thrilled to have persuaded the full choir to perform in this very special venue where a small ensemble sang last year during Covid restrictions.

Be prepared for the magnificent sound of a male voice choir in full sail, and with the finesse that an adjudicator at the Llangollen Eisteddfod described as "incredible singing, you sound like professional opera singers!"

Tickets are £10 on the door (free to MMS members and all school children)

For more information please contact Geoff Mason 01978 710486 [gcmason47@yahoo.co.uk](mailto:gcmason47@yahoo.co.uk)

## WI Update

Overton-on-Dee W.I. enjoyed a busy Meeting on Thursday 16<sup>th</sup> February. Jill Burton gave a wonderful talk on The History Of Overton which was a fascinating insight into our village from 1066 to the present day. Even those who have lived in Overton all their lives learned something new!

We are looking forward to our Annual Coffee Morning on Saturday March 4<sup>th</sup>, to which all villagers and friends are invited. We have some fabulous stalls again this year, including Italian leather handbags, purses and accessories, local organic veg, honey & eggs, home baking and various crafts. Please do come along and support us; everyone is very welcome and we will be serving refreshments, including Bacon Baps.

Our March Meeting will be held on Thursday 16<sup>th</sup> March, and our Speaker will be Liz Wilson, of Ma Baker fame. The Meeting is open to all and if you like bread, you will love this talk!

The Village Handicraft Show takes place on Saturday May 20<sup>th</sup>. We know there are many very talented people in Overton and surrounding areas – please support the Show by either entering or coming along to see the beautiful items on display. Don't be put off by thinking your work isn't good enough – the judges are very kind and even if you don't get a prize, people will appreciate just seeing your work and admiring the effort put into it. Schedules are now available in the Corner Shop, M.E.Evans Butchers, the Library, Two Doves and Willow & Wren. If you want further information please ring me on 710451

## Donate an Easter Egg

At St Mary's Church this Easter we are putting together an Easter display in the Lady Chapel. We are asking if anyone would like to donate an Easter egg. We hope to donate them to the Salvation Army and/or Wrexham hospital children's ward, if permission is granted. We are asking Businesses and local people for their support and kindness in making this happen. We will leave a large plastic container in the church marked up "Chocolate Easter Eggs" (Businesses, please mark with your name) We have no preference on what type of Easter egg or size, we are just grateful for all donations. We would also appreciate any help with putting the display together. For more information ring 07753 463125.

## Memories of Overton sledging days

My name is Phil Andrews and I was born in Overton in 1947 and was known as Pip Haynes. I joined the Royal Navy in 1965 and although never really moved back to live, I still remember many happy times growing up there.

I have attached 2 photos which were taken circa 1953 of the lads sledging down the banks. I am the small one on the end in the photo on the left.

I would like to think that some of the people will recognise themselves.

In the one picture I think is Les Stant, Den Metcalfe and Fred Murray. The other Barry Haynes, (much missed brother), Howard Jones and Brian Hamlington. The other names are lost in my memory, Thank you for printing the Oracle it brings back many memories.

*Do let the Oracle know if you can put more names to faces.*

## Bowls Season Rolls Back In

The month of March is the beginning of Spring. We all look forward to better weather and the outdoor activities we can enjoy.

Quite a number of locals in Overton look forward to the Crown Green bowling season. This sport is enjoyed by many people in the area, either as a form of relaxation or as a competitive sport.

The Overton Bowling Club has around 40 members and would welcome newcomers.

To encourage new players to join, the club will provide free opportunities to sample the sport, with advice from experienced players, every Monday evening at 6.30 from the 27th March to the end of April.

Everyone is welcome, whether you wish to play competitive sport in the local leagues, or if you just wish to have a little exercise while playing a sporting game in the fresh air.

Please come along and sample the sport, if you are interested and enjoy sporting activities.

## Spring blooms

This is the time of year when we start to see spring blooms emerging from the ground. From golden lesser celandines, to purple dog violets, to papery wood anemones.

Over the last few years the Overton Wildlife Group has been trying to encourage more spring flowers throughout the village, from native bluebells in the car park garden, to snake's head fritillaries in St Mary's churchyard.

Our mini meadows have also been planted with lots of spring flowers. These provide an important nectar source for insects awakening from their hibernation, such as butterflies and bumblebees.

To help let people know what our mini meadows are for we've also put up a few signs, to tell visitors why we leave the grass long. Last year we spotted plenty of wildlife feeding on the meadows, including swifts, green veined butterflies and house sparrows, all species that are nationally declining.

We're looking forward to seeing what turns up this year.

## St Mary's School Pupil's Fundraising

On Saturday 18th February, Evelyn Everett, 9yr old, (nearly 10) lost her locks in a sponsored shave for Hope House Children's Hospice. Evelyn is a pupil in Year 5 at St Mary's School Overton. As well as fundraising for the hospice, her hair has been donated to the Little Princess Trust who provide real hair wigs, free of charge, to children and young people who have lost their own hair through cancer treatment and other conditions.

The Everett family chose to raise money for Hope House and Tŷ Gobaith as they have seen the impact of their care on close friends whose children access care and support at the hospices. Her Mum, Aimee continued: "Evelyn had the idea last November and knows her hair will soon enough grow back. She cares more about helping others than she does her hair. As parents, my husband Simon and I were really nervous for her - Simon even offered to match fund any money she raised if she didn't do it. But she was so determined to see it through. We're so proud of her, it really sums up who she is."

The head shave took place at the family home by a professional hairdresser.

You can still donate to Evelyn's fundraising by going to <https://www.justgiving.com/fundraising/aimee-everett>

## A warm welcome for St Mary's new priest

We were very pleased to welcome our new priest, Revd Jeremy Dussek, at a special afternoon service at St Mary's on the day of his formal licensing ceremony in Hanmer.

There was a good turnout to greet Father Jeremy at the service last month with many of the pupils from Overton's primary school also there to meet him and take part.

Fr Jeremy is clearly a natural with youngsters and it was great for them to be able to get to know him on his first day with us – they seemed to very much enjoy talking to him.

The service was followed by refreshments, with some excellent home-made cakes and sandwiches provided by volunteers.

Fr Jeremy, who is moving into the vicarage in Overton, spoke of his wish to get the church out into the community and play an active part in it.

Later that day, Fr Jeremy was formally licensed to be a priest in the Church in Wales by the Bishop of St Asaph, the Rt Revd Gregory Cameron. This took place at St Chad's Church, Hanmer, which was packed with local

worshippers and many family and friends. Numerous clergy from the Diocese of Chester attended, who knew Jeremy in his previous role as Canon Precentor at Chester Cathedral.

All of us at St Mary's wish Fr Jeremy well in his new role as our priest, and pray that, together, we can strengthen the Christian community in the area and encourage more people to enjoy the peaceful beauty of our historic church.

## Exciting News - Overton Recreational Club has taken on the Hope House Childrens Hospice £50 Challenge!

The basic concept is very simple. Hope House are giving 50 businesses £50 and they each commit to grow it as much as they possibly can in 50 days between 6th March and 24th April 2023.

So far, we are organising a family fun evening with a disco & games on Sat 22<sup>nd</sup> April which will be followed on the night by the drawing of the MEGA raffle and hopefully even some auction lots. We need your help with this and would welcome donations of prizes or lots - the bigger the better as we really want to make as much as we can! Either drop them off at the club or contact us so we can arrange collection.

We are also organising a cake night, let's call it The Great Overton Bake Off! Bring along your cake creation which could win you a prize and all cakes will be sold on the night - this will be on Sunday 23<sup>rd</sup> April. Three local lads will also be doing a sponsored bike ride so look out for that as well. Although we have entered in the Clubs name, we trust it really will be a Village affair and EVERY PENNY raised will go to this amazing charity that have to raise millions every year (in fact we are giving them the £50 back as well). Let's all get behind this and further details of events will be in next month's Oracle.

Don't forget The Recreational Club has been serving this Village continuously for over 50 years and no membership is required....all welcome.

### Bell ringing update

I am delighted to report that we now have six regular Sunday morning ringers at St Mary's, with another new ringer progressing well and one more having some time out. You may also have noticed that we are ringing slightly earlier this year, between 9 and 9.30am, as Sunday service has a new regular time of 9.30am.

During November and December the bell ringers all worked closely together to design and build a Christmas tree for the St Mary's Christmas Tree Festival. We were delighted to be voted best Christmas tree and it even featured in the Christmas edition of 'Ringing World'. On the final practice night of the year we enjoyed mulled wine and mince pies. *Picture right*

Listen out for the bells ringing on St David's Day morning. Two of the Overton band, along with four other fellow ringers, will be attempting to ring a Quarter Peal to celebrate the day.

“An Extraordinary Meeting was held on March 29<sup>th</sup> when a large meeting of ratepayers met at the White Horse Inn, to hear Mr John Richards, nominated as a guardian for this parish, [*guardians were appointed to administer the Poor Law in the area and the local Workhouse, and were subject to annual elections*] advocating sending a petition to parliament, for all public-houses to be kept open from one o'clock in the morning until twelve at night. He did not see why poor people should not have drink as well as the gentle-folks. The meeting was of a lively character, hisses, cries of “turn him out” and cheers, being mingled.” *He was not elected!*
