

# OVERTON RECREATIONAL CLUB RE-OPENING INFORMATION

Our aim is to provide a safe environment for our staff and our members. A Covid 19 risk assessment has been completed and our staff have been trained to reduce the risk of spreading Covid 19. We ask that you respect our staff and the changes to our service whilst adhering to the following rules during this challenging time.

**Reopen Date: Thursday 6th August 2020**

Initially, we will be operating reduced hours on the following days:

Thursday	7pm - 10pm
Friday	7pm - 10pm
Saturday	7pm - 10pm
Sunday	3pm - 7pm

These hours will be reviewed regularly and are dependent on customer demand meaning they can be extended as required.

- Any club members must have paid their membership subs prior to the lockdown in order to be accepted into the club. No new members will be accepted until further notice.
- **DO NOT ENTER** the club premises if you feel unwell or show any symptoms of Covid 19 such as a high temperature, a new continuous cough or loss of taste or smell.
- Please ensure social distancing where possible when entering and leaving the club. Please allow other members to come up or down the stairs - do not pass on the stairs.
- We ask that you use the hand sanitiser provided upon arrival and throughout your visit. Wash your hands regularly.
- We will be operating a one-way system to reduce the risk of contamination. This means that members will need to enter the club via the stairs and turn right at the top of the stairs into the small bar. Follow the one-way system into the main lounge bar where you will order and pay for your drink. You will then exit into the small bar to collect your drink and be free to find a table.
- We encourage the use of contactless payments where possible.
- We will ask for every member's name and contact telephone number on each visit to the club.
- There will be seating available in both bars - tables are not too be moved. There will be no standing at the bar area.
- We ask that you help us out by returning glasses to the designated areas once finished.
- The snooker table, darts board, music machine and the games machines will all be available to use however we ask that members clean the machines, snooker balls, scoring machine after every use with the wipes provided. Music is restricted to a low level. The pool table will not be available.
- Toilets - there will be a strict one in / one out rule with the toilets - only one person is allowed in them at a time. Please wash your hands with the soap provided after each use.
- Children are allowed in the club but must remain seated with their parents at all times.

We understand this is a difficult time for us all, but we will endeavour to remain open while conforming to the new normal. After such a long time being closed, we really do look forward to welcoming you back!

**THANK YOU FOR YOUR SUPPORT – CLUB COMMITTEE**
