Seeds from St Mary's

by Rev'd. Peter Mackriell

Hello! It's good to meet you.

When Gabriel came to Mary to announce the coming of Jesus, he greeted her with the words, "Do not be afraid". Jesus came to his friends after his resurrection and said, "Peace be with you". God's reassurance as we take risks and face new challenges runs through the story of Jesus, from Christmas to Easter. Step out, be bold, I am with you, God seems to say.

As I write, I am beginning a new journey, from Kelsall (near Chester) to Overton and Erbistock; from one village community that I have served for the last 8 years to 2 communities that are less familiar to me. I don't quite know what to expect, coming to a new place, but I have worked in this diocese before and those I have already met in the churches have been warm in their welcome. I am looking forward to meeting people in both communities and to serving you in the years to come. But that doesn't stop me being nervous. Changing job and moving house are two of the most stressful things we can do - and I'm doing both of them! Please pray for me, as I will be praying for you.

I don't know what Mary's qualifications were for being the mother of God's son. She was probably a teenager and she wasn't married; it was scary enough becoming a mum, even without an angel and talk of God's plans. But Gabriel said "Do not be afraid" and she was faithful to her calling. Some of my work has been with deaf and disabled people, and I also have connections with L'Arche, a network of communities living with people with learning disabilities. In this work you learn that qualifications are not everything and, whatever skills we have, we don't always feel ready for what God has in mind for us.

Recently, I have been learning more about what it means to trust God and to be patient. My wife, Jo, and I are looking forward to being with you - but, unfortunately, we won't now be moving to the Rectory until the new year. So, I will be commuting on Sundays and mid-week to fulfil my responsibilities in the parishes. I will feel rather like the holy family did at Christmas - homeless - and so if you see me wandering round the village, do say hello. And, perhaps "Peace be with you".

And, of course, I will say happy Christmas! I hope to meet you soon.

Country Beat

As we are well aware Christmas will soon be upon us and due to this busy time of the year, we may forget about our own personal safety. Can I remind you all that criminals don't forget and this is an ideal time for them to strike when our guards are down. In order for us not to become victims of crime can I ask you to take a few simple steps that can avoid you becoming prey to crime this Christmas.

- When collecting money from Post Office or bank make sure that you put your money away, whilst at the counter in a secure purse or wallet.
- Never carry PIN numbers in your purse/wallet and make sure it is placed inside a secure handbag or pocket.
- Never leave your handbag in a shopping trolley unattended no matter how short a time. Thieves this time of year will be watching and before you know it your purse will be gone.

On behalf of myself and Mike we would like to wish you all a safe Merry Christmas & a Happy New Year.

Regards,

Lynne

Community Growers Update

Members of the group have been enhancing different parts of the village. Some have been taking cuttings to grow on while others have made bird boxes from recycled wood. The tubs outside the Village Hall have been replanted with hardy plants and we have also hung some Winter hanging baskets outside the Cocoa Rooms to brighten the area up.

[See photos on page 6](#)

The wicking boxes have been cleared for the winter but each has been 'replanted' with an ecological theme. There is a very interesting 'Reduce Your Plastic' Tree which has been 'decorated' with rubbish picked up in the Village. Please look out for details on the Village Noticeboard regarding our monthly litter picks and do come and give us a hand.

Overton Calendars are still on sale at the usual outlets and make ideal stocking fillers as Christmas presents. They are a snip at £6!

Overton Lunch Club is on Wednesday Dec. 12th at 12.30pm at the White Horse. There will be a choice of a 2-course menu all for £8.95. To book tel: 01978 710672

Dear Editor

My little Staffordshire bull terrier Jack Russell cross was savagely attacked by an Alsatian cross on Nov 3rd. The other dog has already had 6 different homes. My dog Buster was taken to the vet and I'm pleased to say is making a full recovery. All dog owners - keep your dogs on a lead. Thanks. *Nick Russell*

St Mary's School Remembers

On Friday 9th November, the School gathered at St. Mary's Church for our Remembrance Service, led by Year 6. It was particularly poignant this year as we commemorated 100 years since the end of the First World War and pupils read out the stories behind the names of the soldiers on Overton War Memorial who lost their lives in the final year of the war in 1918.

The service began with Year 6 explaining the Royal British Legion's 'Thank You' movement; showing gratitude to the entire generation who lived through the war and helped shape our life as we know it today. Our lives would be very different if it wasn't for the people who lived through the First World War: men, women, children, pioneers, scientists, artists and volunteers from across the Commonwealth who answered the call. Eight local men lost their lives during hostilities in 1918 and to hear their stories read out by Year 6 pupils felt like a fitting way to remember these brave men. We were privileged to have representatives from Overton's Branch of the Royal British Legion join us for our Service; lowering the Standard as the Last Post sounded and joining the School in laying a wreath at the Church Memorial.

Children across the school were also busy creating poppy artwork as part of our commemorative events. Pupils in Foundation Phase made a beautiful poppy art installation for the front of the

School. *(photo right)* Year 5 pupils created an eye-catching display of poppies made from recycled bottles which cascaded down the pulpit in Church as an effective centrepiece for our Remembrance Service. *(photo above left)*

On Tuesday 13th November we were thrilled to welcome David Burton in to School to talk to Year 6 about the 'Great Pilgrimage 90' that took place in August this year. We heard about how Overton's branch of the Royal British Legion joined over 1000 other branches to recreate the pilgrimage that veterans and war widows made back in 1928 and march to the Menin Gate.

Paul Jones & Dave Kelly at the Village Hall!

at 19th January 2019 8.00pm - 11.00pm

These 2 legends of British blues need no introduction. Founders of the legendary Blues Band they have been at the forefront of the UK blues scene for over 50 years. Paul was a member of 60s band Manfred Mann and until recently, presenter of the long running BBC Radio 2 Rhythm and Blues Show. Dave is arguably the UK's finest blues guitarist and has played with legends like Muddy Waters and Howlin' Wolf.

Tickets £20 Email: petevans@btinternet.com or available at The Corner Shop.

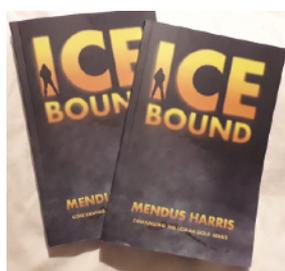

David showed us fascinating images of the battlefields and memorials he visited including Tyne Cot and the Menin Gate itself. Seeing the names of the soldiers from Overton, who we had learnt about, inscribed on these vast memorials was very poignant. Finally, seeing a photo of Overton's poppy wreath placed at the Menin Gate, with a verse which was written by last year's Year 6 class, was really moving, knowing that our School had played a small part in such a significant event.

Memorial Service

The memorial service for Mary and Jim Smitheram, formerly of Chapel House, School Lane, Overton, will be held at Overton Methodist Chapel on Tuesday December 4th, at 3.30 p.m. Light refreshments will be served afterwards. Anyone who knew Jim and Mary is very welcome to attend.

Hair raising

In October myself and my friend Hélène Parker shaved our heads to raise money for a new mobility vehicle for my little boy. We also donated our hair to the Little

Princess Trust. It was an absolutely fantastic night where friends, family and our community came out in force to support us. We were hosted by the wonderful folks at the Overton Recreational Club and a great night was had by all. We had ambitiously set our target

for the event at £1,000 but amazingly we smashed that and raised a little over £1,750 which is fantastic and gets us a good step closer to our overall target of £4,000.

Congratulations

Congratulations to 9^{yr} old Bella Atherton from Knolton Bryn has been named **YOUNG STORYTELLER OF WALES 2018**. Bella won the 7-11yrs category for original story at the annual competition held at Venue Cymru, Llandudno in November. Storyteller & author Fiona Collins devised the contest to help keep storytelling alive in our Welsh youth. It is the 2nd time Bella has entered and this year she told a story she had written herself entitled "THE DOG THE CAT AND THE 3 BROTHERS" with a theme of the power of kindness and how it can change people for the better. Bella was home schooled for 2 yrs and has recently returned to St Mary's School Overton, where she has told her story to her class. Bella will hold the title for a year.

Thank you

Overton Community Council would like to thank the Overton Community Growers for tidying up and replanting flowers around the 'Best Kept Village' sign and surrounding area. In addition to this the outside of the Village Hall and Cocoa Rooms is bursting with colour with all the beautiful flowers recently planted. Residents and visitors to Overton often comment on how pretty the village looks. Thank you to all the volunteers for their hard work, you do a great job.

Who did it?

The year was 1961, the Cold War was at its frostiest, and the Russians have succeeded in putting a man into space. Back home at the London HQ of MIJ, P's top agent, Double OMG is murdered. The audience in the Village Hall very much enjoyed working out who were the guilty parties, whilst appreciating an excellent supper. Ably led by Director Sheila Miller, the cast seamlessly included 3 new members to the Overton Amateur Dramatic Society, and with the support of the backstage and front of house team, gave the audience another fun filled evening.

Murdered Mike Done - surrounded by suspects from L Richard Done, Catherine Eve, Karen Whittaker Nikki Farrar & Stephen Sorfleet.

Playcentre News

Assembly Member Ken Skates visited Overton Playcentre to hear about the difference a new Welsh Government scheme is making to parents.

Overton is among those in the Wrexham area to provide 30hrs of early education and childcare to working parents of children aged 3 & 4 for 48 weeks of the year.

Rachel Harris, manager of Overton Playcentre, said it is already helping local families. She said: "A number of our parents have described the offer as life-changing!"

Mr Skates said: "This childcare offer is making a real difference to parents in Clwyd South, reducing the strain on family income and helping ensure childcare is not a barrier to them taking up employment or increasing their hours."

Overton Playcentre, a parent-led charity which has been running for 50 years, currently relies on volunteers to raise nearly £7,000 a year to cover running costs. It was recently awarded £8,200 in National Lottery Awards for All funding to develop an outdoor learning area. Rachel said: "We may be small but we have a big vision for the future!"

A Village Remembers

On a bright crisp Sunday morning a large crowd gathered around the War Memorial as usual, to remember the fallen. The tolling of the church bell was more poignant this year as it marked 100 years to the minute when hostilities ceased in the "war to end all wars."

As the Autumn leaves fell it was impossible not to see the analogy of the many young men and women who have lost their lives in war. Families would be silently remembering their loss.

Peter Jackson, who recently directed the brilliant new film, "They shall not grow old" from archive footage from the First World War said the way to commemorate the soldiers was for each family to research and remember their relative. For me I remember Corporal Joseph Birchall, my Grandfather, who served as a stretcher bearer. For my husband, his Grandfather, Corporal Benjamin Clarkson England. He has a postcard written by Benjamin from a German prisoner of war camp dated 11th November 1918. Both grandfathers survived the war.

Let us hope that the sacrifice of many service men and women both past and present will be remembered and that we can continue to strive for peace for our children and grandchildren.

Sue England

The Oracle has also received an email and thanks from Jane Jones whose Great Uncle's name, Thomas H Jones is on Overton War Memorial. The information in the Oracle article has meant that Jane and her husband have recently been able to visit and find Thomas's grave in France.

Thanks to Overton Rocks for adding their painted stones to the War Memorial area.

Happy 50th Birthday 1968-2018

There has been a snooker table up in the Club for many years sited in what is now our main lounge. Made from a sailing ship's timbers, it given to the village by Major Peel of Bryn-y-Pys. But use of the room declined and in 1968 it was shut by the Village Hall Management Committee to prevent it from being vandalised. To avoid losing the facility for ever, Tom Haynes a local builder, with Bill Bussey, Ron Cox, Den Owen, Raymond Haynes and Ivor Parkinson looked into re-opening the room. A committee was formed and work began on massively extending the facility. This involved a lot of demolition work, and bringing steel girders from Ifton Colliery. The inside was decorated with paint from Noreen Haynes shop in Willow Street which along with building materials was obtained on a "pay us when you can" basis. Watney's brewery gave a £500 gift, bench seating was purchased at a sale in Penley Camp for 50p each and 2nd snooker table was bought from the Whitchurch Swallow Club for £25, dismantled and carried in Haynes half ton van. Everything was done voluntarily with committee members cleaning the beer pipes, restocking, cleaning and ironing both snooker tables for the first 10 years. Money was in short supply so fundraising was always going on. In the mid 1970s the club had it's liquor license revoked for 6mths after police raided the Club, resulting in half a dozen members being prosecuted for drinking 20 minutes after the prescribed closing time. So everyone all drank Coke and orange juice until the license was restored and the Club was renamed "Overton Recreational Club".

Pulling the 1st pint in 1968, Albert Burgess, 'Pigeon' Bill Davies. Fred Chesworth. & Raymond Havnes

To celebrate we are having a 50th party. Everyone (including well behaved children) is welcome and the evening will include a buffet.
