## Ramblings From the Reverend **by Rev'd David Child**

When I was working in the Maelor I helped to arrange a seminar for visiting French doctors, public health specialists. The Speakers were the Chief Medical Officer for Wales, the Chief Medical Officer for Clwyd and the Chief Executive Officer for the N.E.Wales Trust. The speakers gave their talks and then there was time for questions. There was a pause no-one likes to ask the first question. But then a French Professor got up and with a smile on his face asked, 'How is it that you are all women!?'

September 12th was a red letter day because on that day the Church in Wales voted by a majority of 4-1 for the ordination of women bishops. It's been a long time coming. That evening I sat down to write my Sunday sermon. The Gospel Reading for that Sunday included the parables of the Shepherd and the Lost Sheep and the Woman and the Lost Coin. The shepherd in the first story is a symbol of God. That idea was quite a common one in the Old Testament but here Jesus also likens God to a woman. That must have been really shocking to the listening Pharisees, who presided over a male dominated society. Today, in our society we are quite accustomed to women holding positions that were in the past only held by men. We are all familiar with the idea that God is a Spirit and that God having no body, has no gender. God after all shows many of the characteristics of women: tenderness to the weak, toughness & loyalty, patience & persistence in searching for the lost. In these ways God resembles the woman in the story. But what a coincidence it was to have that Sunday's gospel reading.

Things are also beginning to move with our Roman Catholic friends. Pope Francis recently wrote 'The mercy of God has no limits; the Christian God forgives those who do not believe and do not seek faith. The question for those who do not believe in God is to follow their own conscience. To listen and follow your conscience means that you understand the difference between good and evil.' Meanwhile Archbishop Pietro Parolin who has become the Pope's deputy, said that celibacy among clergy was a tradition rather than 'church dogma' and should be open to discussion.

Things are moving – Churches are drawing closer together and are becoming more and more inclusive. By the time you read this our 3 Churches – Methodist, Anglican and Roman Catholic will have celebrated Harvest together in St. Mary's. That after all is how Jesus wanted it – no barriers whatever – everyone welcomed.

With every blessing,

## COUNTRY BEAT

by PCSO Phil Jones

Hello and welcome to this month's beat report.

I am very pleased to report that an offender has been arrested and charged for the repeat burglary on Willow Street.

These incidents are rare in Overton and I'm very happy that the offender has been taken off the streets. This has been a combined effort from neighbouring police forces; we work together closely to make sure these offenders are dealt with quickly. But even with this good news please do not let your guards down; please continue to secure your homes and property.

Please see the following key facts about where not to park.

1. Near a school entrance (think about the safety of children), or parking up outside residents homes restricting them from exiting their property.
2. Anywhere you would prevent access for Emergency Services.
3. At or near a bus or tram stop or taxi rank.
4. On the approach to a level crossing or tramway crossing.
5. Opposite or within 10 metres (32 feet) of a road junction, except in an authorised parking space. This can be an obstruction of view as drivers cannot see past vehicles that are parked too close to the junction.
6. Near the brow of a hill or hump bridge.
7. Opposite a traffic island or (if this would cause an obstruction) another parked vehicle.
8. Where you would force other traffic to enter a tram lane. (no chance of this in Overton)
9. Where the kerb has been lowered to help wheelchair users and powered mobility vehicles.
10. In front of an entrance/drive to a property.
11. On a bend.
12. Where you would obstruct cyclists' use of cycle facilities (cycle-path).
13. On a pavement where a double children's buggy or mobility scooter can't pass safely.
14. With your vehicle facing in the opposite direction of the traffic. (night time offence)
15. On council appointed "H" Bars.
16. On Double Yellow lines unless otherwise marked but are still restricted to the 5 minute ruling.
17. Disabled parking is allowed on double yellow lines with a valid blue badge displayed on the dashboard, however please ensure that the vehicle is safely parked and not causing an obstruction.

**Here is a recipe for toffee apples!**

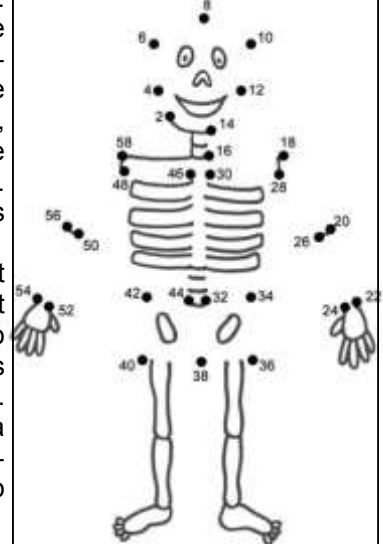

Ingredients: 225 g demerara sugar, 110 ml water, 0.5 tsp vinegar, 2 tbsp golden syrup, 25 g butter

**Method**

Dissolve the sugar in the water over a moderate heat. When it has dissolved, stir in the vinegar, syrup and butter. Bring to a boil and cook without stirring until it reaches hard-crack stage (138C) or hardens into a ball when dropped in a jug of cold water. This should take around 10 mins boiling time. While the syrup is cooking, pierce each apple with a wooden stick. Once the toffee is ready, dip each apple into the hot toffee, turning it around in the syrup so that each one is fully coated. Leave to harden on a lightly oiled tray before serving. Wrap apples in cellophane.

## OVERTON 2013 PRODUCE SHOW

At the 41st Annual Show held in the Village Hall 37 adults and 7 children entered the various classes. There were nearly 300 exhibits in the Adult Sections and 15 in the Children's Sections – an increase on last year's figures. The Show attracted entries from loyal supporters over the years with some new names appearing on the prize cards. It was a pleasure to see more entries from the children this year showing the up and coming talent we have in the Village. The Judges were very impressed with the high standard of the exhibits submitted. Their task is not an easy one and the Committee are very appreciative of the time and care in the selection of prize winners. Thanks to all who supported the show by entering and coming along in the afternoon.

## David is canonised

On September 30th, St.Mary's Vicar, David Child was "canonised" at a ceremony in St.Asaph cathedral. What exactly is "canonisation"? In the Roman Catholic and Eastern Orthodox churches, "canonisation" refers to the elevation to sainthood of a deceased person. Now David is not deceased and is not a saint (after all he supports Wrexham football club and not many saints are football fans). In the Church of Wales it is an honorary title bestowed on a person who has made a significant contribution to the promotion of the Christian message. So "what do we call him now?" - his official title now is "Reverend Canon Doctor". I suspect we will still call him simply David. Congratulations, David, on this well-deserved recognition of all the hard work that you do for the Christian faith.

Your Letters...

Dear Editor,

Jim Glover is right about the parking on High Street. For days at a time, someone had left their van parked so close to Dark Lane that it made it dangerous to enter onto or exit from the High Street.

I don't understand why he thinks that has anything to do with the Corner Shop, our van is parked out of the way on Willow Street.

Mick Pinder

Dear Editor,

Re last months letter, flower beds in the road in the High Street are not the answer. Look at the signs added to obstructions in the road by the mere in Ellesmere. Each flower bed would have to have large roadsigns/arrows, full size road sign would have to go up warning of obstructions ahead, more and more street furniture - ruining the look of our High Street, a conservation area.

If a couple of motorists, out of the 1000s that use Dark Lane, find it difficult to see when turning into the High Street, they have an alternative to use Penyllan Street or Turning Street? Come back common sense!

Name & Address supplied

Harvey Evans, son of Gladys Evans of Parkside, has recently been appointed a member of the bodyguard to the Mayor of the City of Durham.

Harvey, a Falklands Campaign veteran who survived the attack on the Sir Galahad, will take part in ceremonial duties. The 15 bodyguards dressed in black coats & Tudor hats are armed with halberds and the role has existed for 410 years. Originally their duties included collecting taxes for the Civic Treasury.

Jill Williams (Darlington) was delighted to recently receive a letter from Canada and photo of Franz Koschorke. She was put in touch with her old Overton World War II friend after an article in the January and February editions of the Oracle.

Fishing for charity

have joined forces in order to raise money for Nightingale House. This year saw 2 matches taking place, the 1st competition was in August on Acton Community Angling Association waters, Westminster Park. Bryn y Pys Angling Association narrowly won by a margin of 3 lbs – helped significantly by Allen Smith who had an individual weight of 15 lbs. The return leg was held on Bryn y Pys waters on the river Dee. Conditions were difficult for both teams with low water level and bright sunshine making fishing difficult. The visitors from Acton proved to be the victors with a combined team weight of 20 lbs proving to be too much for Bryn y Pys's 12 lbs. Acton's Dave Edge had the best individual weight of 8½lbs. A total of £120 was raised by both teams for Nightingale House.

Bryn y Pys Angling Association controls approximately 4½ miles of the river Dee between Overton Bridge and Bangor on Dee Bridge and offers fishing for brown trout, grayling and coarse fishing. Anyone interested in becoming a member of the club can contact either Chris on 07800862244 or Adrian on 07901696475 or by visiting the club's website [bryn-y-pys.webs.com](http://bryn-y-pys.webs.com)
